

Cheshire region Invasive Non-native Species Initiative
Actions Table

Rapid Action	Research and Survey	Landscape Action	National Action	Monitoring
Species present at specific sites and that require rapid action.	Further research is required as well as further surveying to assess extent.	Species widespread in the Cheshire region and requiring control at a landscape scale.	Species whose presence needs to be urgently communicated to a national lead. (Natural England, Environment Agency or Plantlife).	Species present in neighbouring counties and that require a watching brief.
Duck, Ruddy (<i>Oxyura jamaicensis</i>)	American Bullfrog, (<i>Rana catesbeiana</i>)	Mink, American (<i>Neovison vison</i>);	Primrose, Water (<i>Ludwigia grandiflora</i>)	American Bullfrog, (<i>Rana catesbeiana</i>)
Gudgeon, Topmouth (<i>Pseudorasbora parva</i>)	Crab, Chinese mitten (<i>Eriocheir sinensis</i>)	Balsam, Himalayan (<i>Impatiens glandulifera</i>)	Gudgeon, Topmouth (<i>Pseudorasbora parva</i>)	Bullhead, Black (<i>Ameiurus melas</i>)
Fern, Water (<i>Azolla filiculoides</i>)	Limpet, Slipper (<i>Crepidula fornicate</i>)	Knotweed, Japanese (<i>Polygonum cuspidatum/Fallopia Japonica</i>)	Toad, African Clawed (<i>Xenopus laevis</i>)	Pumpkinseed (Sun-fish or Pond-perch) (<i>Lepomis gibbosus</i>)
Hogweed, Giant (<i>Heracleum mantegazzianum</i>)	Zebra mussel, (<i>Dreissena polymorpha</i>)	Knotweed, Giant x Japanese hybrid (<i>F. sachalinensis x Japonica</i> hybrid)	Sea Squirt (<i>Didemnum species</i>)	Zander (<i>Stizostedion lucioperca</i>)
Knotweed, Japanese (<i>Polygonum cuspidatum/Fallopia Japonica</i>)		Pygmyweed, New Zealand Pygmyweed (or Australian Swamp Stonecrop) (<i>Crassula helmsii</i>)		Hyacinth, Water (<i>Eichhornia crassipes</i>)
Pygmyweed, New Zealand Pygmyweed (or Australian Swamp Stonecrop) (<i>Crassula helmsii</i>)		Rhododendron (<i>Rhododendron ponticum</i>)		
Parrot's-feather (or Brazilian Water-milfoil) (<i>Myriophyllum aquaticum</i>)		Hogweed, Giant (<i>Heracleum mantegazzianum</i>)		
Pennywort, Floating (<i>Hydrocotyle ranunculoides</i>)		Parrot's-feather (or Brazilian Water-milfoil) (<i>Myriophyllum aquaticum</i>)		
Knotweed, Giant x Japanese hybrid (<i>F. sachalinensis x Japonica</i> hybrid)		Pennywort, Floating (<i>Hydrocotyle ranunculoides</i>)		
Primrose, Water (<i>Ludwigia grandiflora</i>)		Fern, Water (<i>Azolla filiculoides</i>)		
<i>Phytophthora ramorum</i>				
Killer shrimp <i>Dikerogammarus villosus</i>
