

Wirral Biodiversity Forum
Greening the Cities -
Biodiversity and Urban Regeneration

Birkenhead Park Pavilion
Saturday 4th November 11-1 pm

A talk by Mathew Frith of the Peabody Trust. The talk will be followed by a sandwich lunch and an informal tour of the park restoration.

Mathew Frith is an expert in urban wildlife and sustainable housing. He is a lively and entertaining speaker. His talk will be illustrated with numerous examples from this country and further a field.

This event is free but places are limited and by invitation only. Phone 666 4730 or E-mail christinejsmyth@wirral.gov.uk to book your space.
